

Mentors Needed to Help Students in the Glades Schools.

Take Stock in Children is seeking to find at least 5-10 mentors in the Glades area to mentor students that are part of our Take Stock in Children Program. Our mentors meet with their students once a week at least three times a month via Zoom, Google Meets or using our Mentor App. We need community members to support their students at Glades Central. Our mentors are the most important component of our program and through mentoring our students receive a two-year full-tuition scholarship to attend college.

If you are interested, please contact, Kimberly Briard, Mentor Coordinator at [kbriard@takestockpalmbeach.org](mailto:kbriard@takestockpalmbeach.org) Visit our website [www.takestockpalmbeach.org](http://www.takestockpalmbeach.org) to complete a mentor application. There two training sessions this month, with one on March 9th at 5:30 PM or March 11th at noon via Zoom.

Make a difference in the life of a child. They need us more than ever. Thank you for your support.
