

A free, evidence-based training that empowers adults to prevent, recognize, and respond to child sexual abuse. Join us to learn practical tools that help protect children and create safer environments in your community.

You'll Learn

The 5 Steps to Protecting Children

- **STEP 1: LEARN THE FACTS**
 - Learn the facts on what child sexual abuse is, its prevalence, and how it occurs
- **STEP 2: MINIMIZE OPPORTUNITY**
 - in both physical & digital environments
- **STEP 3: TALK ABOUT IT**
 - openly with children & adults
- **STEP 4: RECOGNIZE THE SIGNS**
 - Red flag behaviors in adults & children
- **STEP 5: REACT RESPONSIBLY**
 - Use trauma-informed strategies to practice active bystander intervention, & respond to suspicion, disclosure, or discovery of abuse

You have the power to make a difference!
