

April 2019

It's a two-acre tropical sanctuary in the heart of West Palm Beach – the Ann Norton Sculpture Gardens is a historic home featuring larger-than-life monumental sculptures, works of art, and collection of rare palms and cycads.

The lush green jungle-like setting was perfect for Nonprofit First's Spring Mix, Mingle, and Member Networking on April 11 in the natural, unmanicured preserve just off Flagler Drive and Intercoastal Waterway.

For our April member spotlight, let us take you on a tour of Ann Norton Sculpture Gardens (our new member).
