

SEFBHN 2022 Cultural Health Disparities Survey

Southeast Florida Behavioral Health Network (SEFBHN), in partnership with the Health Council of Southeast Florida (HCSEF), are seeking information on your experiences and awareness of our local mental health and substance use services and resources, in your role in Peer Support. Completing this survey will help to strengthen our system of care for everyone in our community and ensure that all can access needed care and supports.

This survey will take about 5-10 minutes to complete. It is completely anonymous and no personal identifying information will be gathered. You can learn more about SEFBHN by visiting SEFBHN.org.

1. In general, do you comfortable seeking behavioral health care services for yourself?
