SELLEW BELLE GLADE EXCEL CHARTER SCHOOL RECEIVES GRANT

TMS obtained a grant valued at up to \$500,000 for the Sellew Belle Glade Excel Charter School, a school wide Title I charter school. This grant will provide a 21st Century afterschool and summer program for 105 at-risk K-5th graders. The goal of the program is to provide opportunities for students to participate in out of school time programming that emphasizes academically enriching activities that foster academic and social youth development. The goal of the program is to provide a focus on technology through a STEM component in which students will learn technology, math and science activities. Students will participate in health and nutrition and the literary arts. Daily homework help and intervention instruction will be

offered. Activities such as robotics, computers, hands-on science projects, art and music and leadership development will be offered. Partners such as Palm Beach State College, Bricks4Kids, Junior Achievement and Franklin Covey's Leader in Me will assist in this program. Activities for families will also be provided in technology, parenting, academic classes, financial literacy and college readiness/informational workshops.
