

Help Your Child Care Business Stand Out and Make a Difference!

The Child Care Food Program (CCFP) can help with both!

Support for Families in Need

CCFP is a huge benefit to families, providing nutritious, delicious meals at no additional cost to parents!

Stand Out as a Quality Site

CCFP is an indicator of quality child care, and helps your business stand out!

Exclusive Grant Opportunities

CCFP providers get access to special grant opportunities, which can potentially bring in more dollars & programs for your center!

Trainings for Directors & Staff

CCFP providers get access to annual food and nutrition, other quality trainings, CE credits and/or contact hours!

Valuable Cost Savings

Provides valuable reimbursement* to providers for meals. *Reimbursement may vary. CCFP is a supplemental nutrition program intended to help with food costs.
